Our Campus

The school is part of Nanchang No. 2 High School's campus, one of the top high schools in China. Students and teachers enjoy campus facilities including three cafeterias, a gymnasium, badminton courts, a library and an auditorium. A new international building for the NS program is being constructed and will open in September 2024.

Benefits

Competitive Salary: Starting salary as indicated in the Employment Contract. Low cost of living enables teachers to save and send a substantial amount of money home each year.

Classrooms: Teachers have their own classrooms. Each room has a Smart Board.

Round-trip Airfare: The school provides annual round trip airfare to and from China.

Furnished accommodations: Teachers are provided with furnished off-campus apartments within walking distance to campus. The apartments are close to grocery stores, shopping malls, Imax theaters, cafes, and restaurants.

Chinese Holidays: Each year, teachers enjoy over a month of paid holidays. And the school breaks for summer. This allows significant time for teachers to explore China, Southeast Asia, Europe, or even return to their home country during the school year.
