Our Campus

The school is located on the Nanchang No. 2 High School campus, one of the top-ranking high schools in China. Students and teachers enjoy campus facilities including three cafeterias, a gymnasium, badminton courts, a library and an auditorium.

Benefits

Competitive Salary: Starting salary as indicated on the Employment Contract. Low cost of living enables teachers to save and send a substantial amount of money home each year.

Round-trip Airfare: The school provides annual round-trip airfare to and from China.

Furnished accommodation: Teachers are provided with furnished apartments within walking distance to campus. The apartments are also close to grocery stores, shopping malls, Imax theaters, cafes, and restaurants.

Chinese Holidays: Each year, teachers enjoy over a month of paid holidays. And the school breaks for summer. This allows a significant time for teachers to explore China, Southeast Asia, Europe, or even return to their home country during the school year.
